ANNEXURE – I

Subject: Rental cylinders of Helium Gr.-I, Argon 5.0 (99.999) & Ammonia (200 kgs.) Gases on RC basis.

The party should clearly mention the following terms & conditions:

1. GST Registration Number (submit a copy for proof).
2. Payment terms: Within 30 days from the date of delivery and acceptance thereof. Payment shall be on RTGS basis. Firms should provide bank details along with their acceptance letter.
3. The Rate quoted should be valid during the entire period of rate contract. However, price increase due to statutory levy will be approved subject to production of notification.
4. Maximum delivery period: Within 1 week OR immediately in case of urgency.
5. Rental charges for each type of Gas viz., Helium Gr.-I, Argon 5.0 (99.999) & Ammonia (200 kg.)
6. Door delivery: Free / Payment; if payment – rate per load
7. Cylinder Deposit for Rental cylinders: Maximum deposit permissible per cylinder is Rs.5000/- but subject to a maximum of Rs.20000/- (Rupees twenty thousand only) will be deposited with the firm irrespective number of cylinders supplied on rental basis. Upon closure of the contract cylinder(s) will be returned only after return deposit from the firm.
8. Cost for Cylinder Repairs / replacement of standard parts.
9. Any damages / loss occurred to C-MET (own) cylinders will be replaced / repaired at your cost vice-versa in the case of rental cylinders. The firm should take utmost care in handling of our cylinders while sent for refilling with insurance etc., if it is sent out of Hyderabad.
10. The firm should maintain quality and quantity of gas at all times as per their quotation. If C-MET is not satisfied with the quality or quantity of Gas or services, the Contract will be terminated without notice.
11. The firm should submit impurity content certificates along with the tender.
12. Whether the firm/supplier is Manufacturer/Distributor/Dealer of Gas. In case of distributor/dealer of gas, the firm should produce a copy of certificate issued by manufacturer. **(Please submit a copy of dealership/manufacturer certificate for proof).**
13. Any other terms covering the subject.
14. Party should quote PAN NO.

ANNEXURE – II

1. TECHNICAL SPECIFICATION & S.O.R. OF INDUSTRIAL GASES

Sl. No.	Name of the Gas	Specifications & Standards conforming to (attach separate sheet, if space is insufficient) Cylinder specifications		
		Capacity	Impurity%	Pressure
1	Argon 5.0 (99.999)	7 cu m/47 ltrs WC cylinder		
2	Helium Gr. I			
3	Ammonia (200 kg.)			

SPECIAL NOTES:

- (i) Cylinder: All gases to be supplied in contractor's returnable cylinders. The gas cylinder must conform to Gas Cylinder Rules 1940 and any other Rules as current and to the specification approved by the Chief Controller of Explosives, Govt. of India.
- (ii) Valid explosive license is mandatory.
- (iii) A Photocopy of applicable I.S. for offered Gases duly signed and stamped must be submitted along with the offer as a token of undertaking for conformity to relevant I.S. provisions.
- (iv) The respective empty cylinder weight for all offered Gases are to be mentioned as well as weight per Cum of offered gases at room temperature and in filled condition to be mentioned supported by relevant and authentic documents etc.
- (v) The cylinder free rental period and the rental, if any thereafter may clearly be specified.
- (vi) The tenderer may specify the charges, if any in case of loss of cylinder or accidental damage to any component of the cylinder.
- (vii) Ensuring delivery of correct quantity of gases: The firm must have all in-house arrangements for weighment etc., in their delivery depot and shall prove to the satisfaction of consignee the correct filled quantity of gas through weighment of cylinder. An undertaking to this effect is to be given in the offer along with details of arrangement for showing correct quantity at the time of delivery.
- (viii) Evaluation of offer: The unit price of gases (as per Annexure) shall be offered separately as also the applicable charges towards cylinder rental, if any.
- (ix) In case of different L-1 firm for gases (as per Annexure), composite price evaluation in following manner shall be made: Cost of one unit of gases (as per Annexure) shall be considered together, rental charges of one cylinder for a period 60 days including free rental period and freight charges per load shall be added to arrive at composite L-1. Per load for Argon Gas shall be 4 cylinders.

2. Eligibility Criteria

The manufacturers/dealers of Industrial Gases having their depots within twin cities are eligible to quote.

The bidder has to submit a copy of valid documentary proof for being a manufacturer/dealers of Industrial Gases along with copy of valid explosive license (if so required as per Government of India norms/rules governing on the item).

3. Proven-ness Criteria

The bidders shall be considered as proven if they furnish the following documents:
